

# PRESS RELEASE

20 December 2018

For Immediate Release

## GENERAL MANAGER RESIGNATION

Troy Brice has resigned from his position of General Manager at King Island Council with immediate effect. Kate Mauric will be acting in the role of General Manager over the Christmas period, with Council committed to establishing a forward plan early in the New Year.

Whilst Council acknowledges there have been a number of changes since their election in November, they remain focussed on their understanding of the Community's expectations and delivering professional, efficient services in a transparent and ethical manner. To that extent nothing has changed.
